

COOKIES

Our website uses cookies. A cookie is a small text file that is sent to a user's computer and stored on it. Cookies do not harm the user's computers or files.

We use session cookies on our website. Session cookies are stored in the user's computer memory while the browser is open and erased after the browser is closed. Only the tracking cookies used to identify new visitors and those returning to the website are retained.

Cookies collect the following information:

- user's IP address
- time of day
- pages visited
- browser type
- web address the user came from to the www.majvik.fi website
- server the user came from to the www.majvik.fi website
- domain name the user came from to the www.majvik.fi website

This information is important so that we can monitor, improve and develop our website's content, structure and general functionality.

If you do not approve the use of cookies, please do not continue to use our website. Alternatively, you can turn off the cookie function. This is possible in most browsers. You can do this, for example, through the "Protection" section that can be found in the "Tools" menu of the Internet Explorer browser.

Please note that cookies are necessary for certain services to function correctly.
